Tigers On The Draw

And the winner is . . .! Scott Brinkman won the art contest sponsored by the Milford High School Yearbook. The entries were very good and the contest was close, but Scott edged out the others with his great artistic ability.

Others who submitted drawings were Taryl Rogers and Todd Williams with "Excellent" ratings. Honorable mentions go to Stacy Stewart, Lisa Feenstra, Elizabeth Bettridge, and Teddy Bridge. Thanks to these people you can sit back and enjoy your "Walk with the Tigers."

Girl Staters

Nanette Dalton, Lisa Banks, Nanette Swain

Boys? Boys? Boys? Not for these girls that attended Girls State at SUSC this summer. The girls spent many hours learning about government, social involvement, and respect for the country. Although there were not many male persons, a good time was had by all.

"Better Than Ever"

Better than ever nothing else will do, better than ever "WE'VE PROVED THAT IS TRUE!!" Homecoming this year went very well. The sophomores pulled off a slight victory over the seventh grade with their 1st place float. The juniors float took second and the seventh grade took third place.

The mighty Tigers gorged on Green River with a winning score of 55 to 6.

The lovely Homecoming Royalty, with Nanette Dalton as queen, Lori Davis as first attendant, and Brenda Robbins as second attendant, was presented at the assembly and rode in the parade and at halftime of the game.

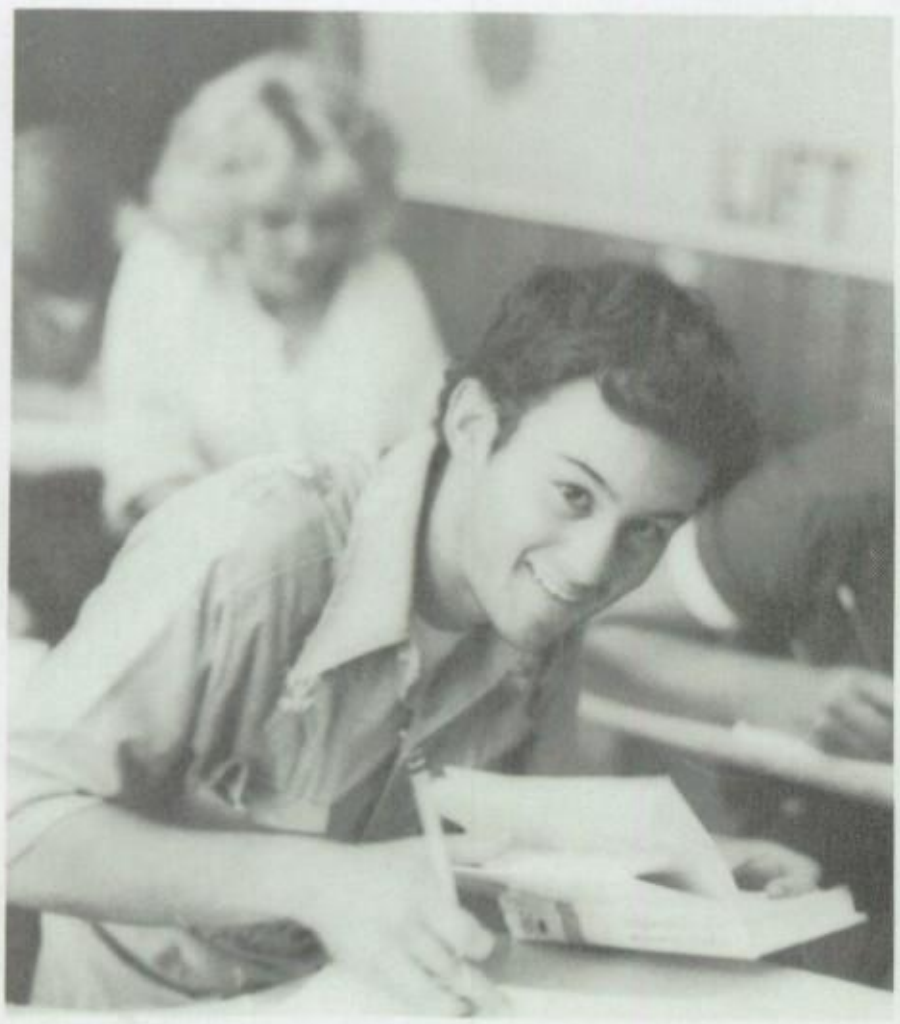
South Of The Border



MHS is privileged to have four foreign students, from Mexico. They are living with Father Valine. They are Tino Ortiz, Hugo Bravo, Abel Cruz, and Sergio Santamaria. The former two are sophomores, and the latter two are seniors. They enjoy living in Milford and going to MHS. Sports, learning English, and meeting new people are some of the things they enjoy. We would like to welcome them to Milford and thank them for making our school something more.

Dedication

The yearbook staff would like to give a special thanks to a very dedicated and helpful teacher, by dedicating this 1982 yearbook to Mrs. Alice Elmer. Mrs. Elmer now teaches special education after years of teaching English and being yearbook advisor. This is Mrs. Elmer's last year of teaching, so we would like to thank her for all of her help in the past and in the present, and we would like to wish her every bit of happiness and success in the years to come.

7th Grade Officers

Christy Willden, secretary; Heidi Puffer, president; Kara Thomas, vice-president.

Seventh graders are considered "the babies" of MHS, but this title makes them work harder. They have a lot of spirit and they are a joy to have in the school.

They took the town by force with a bake sale in January. They would like to give a special thanks to Mr. Jensen for helping them with their first year of high school.

Eighth grade is just one step up from being the "babies" of MHS, but the eighth graders feel it is an important step in high school. They are so relieved to know where they are going and what they are doing, that they are adding to the school's spirit. They took the town by storm with a bake sale in September, and they found a lot of support from the community. They would like to thank Coach Barnes for all his help.

The word freshmen means several things, like the last step before becoming a part of the upperclassmen. They provide us with funny happenings; like going to their first high school dance, or finally getting some choice in picking their classes. They have provided some great entertainment, such as a Christmas dance, which turned out great. They are energetic and fun, when it comes to supporting the school. They would like to give Mr. Anderson a special thanks for his help in everything.

Student Body President

I would like to thank the students of Milford High School for giving me the opportunity to be their student body president.

I hope I have fulfilled my duties and helped out as many people as I could.

True education makes for inequality; the inequality of the individual, the inequality of success, the inequality of talent and of genius; for inequality and individual superiority, is the measure of progress of the world.

Thank you,
Scott Brinkman

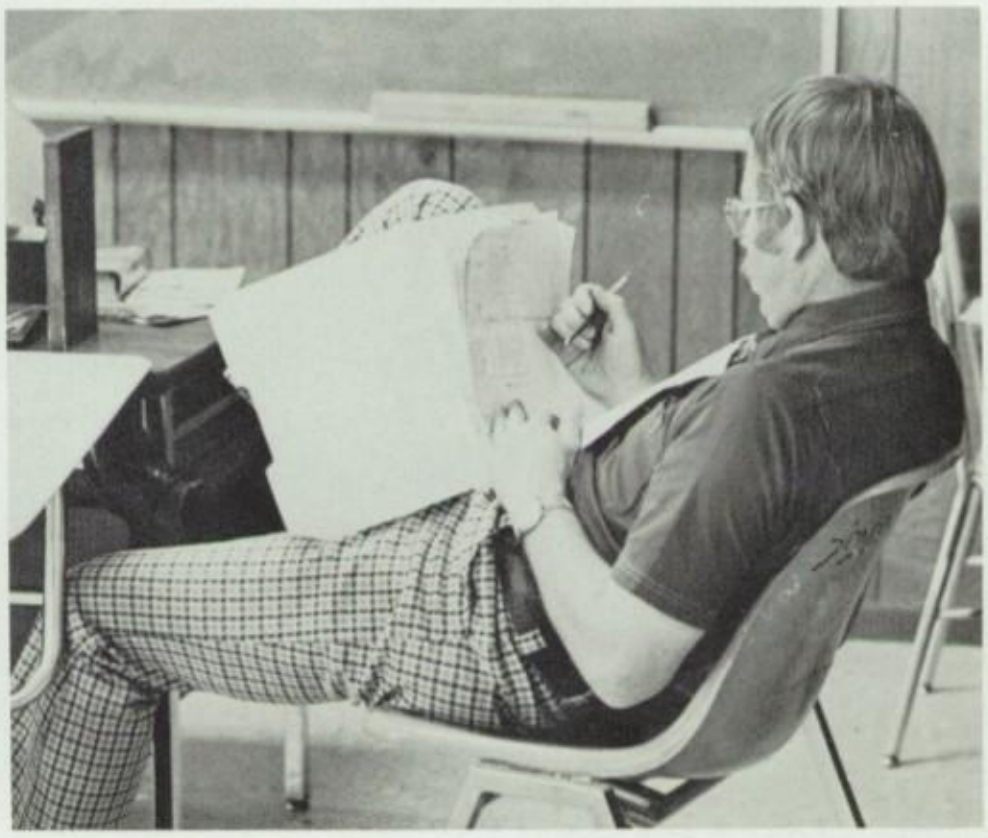
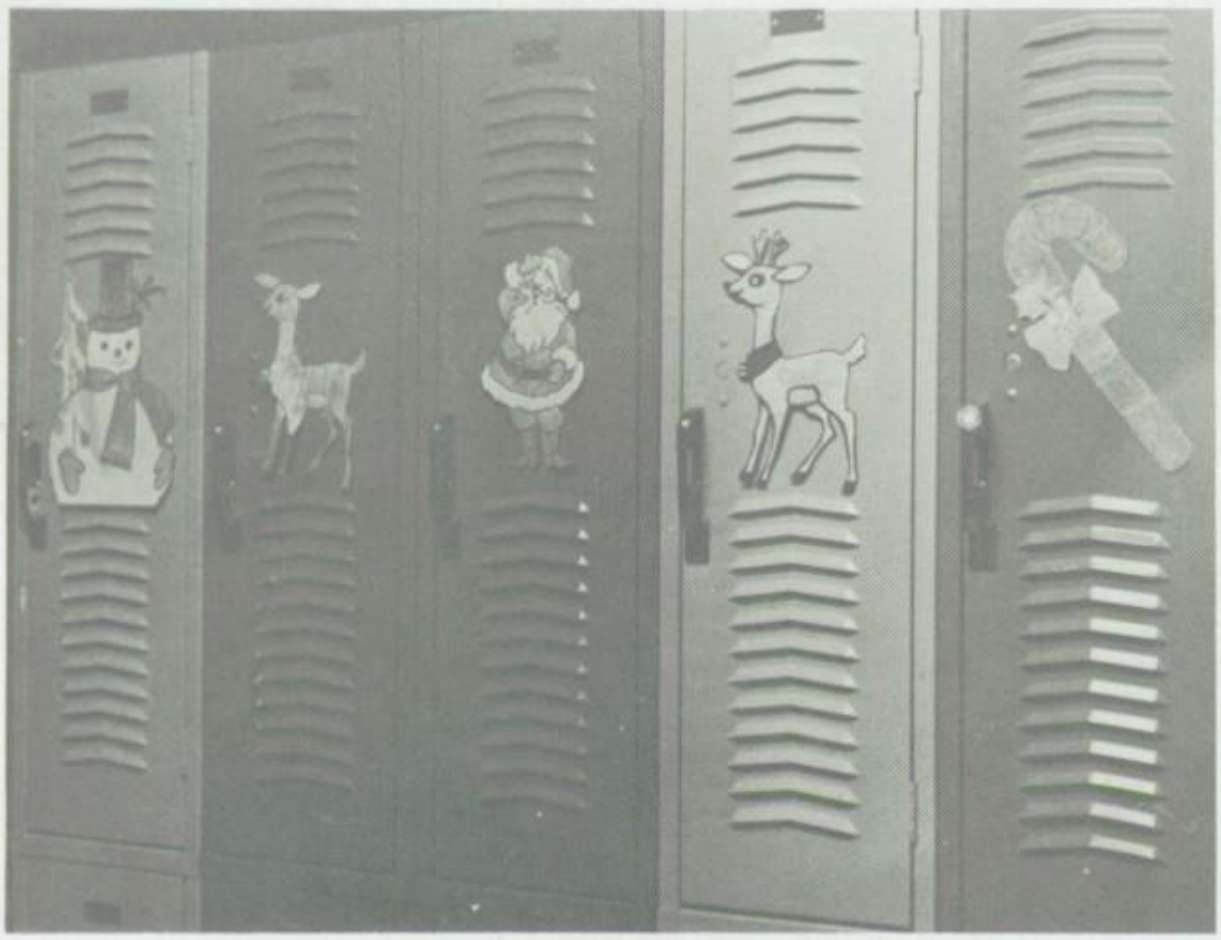
"Hey Teach!"

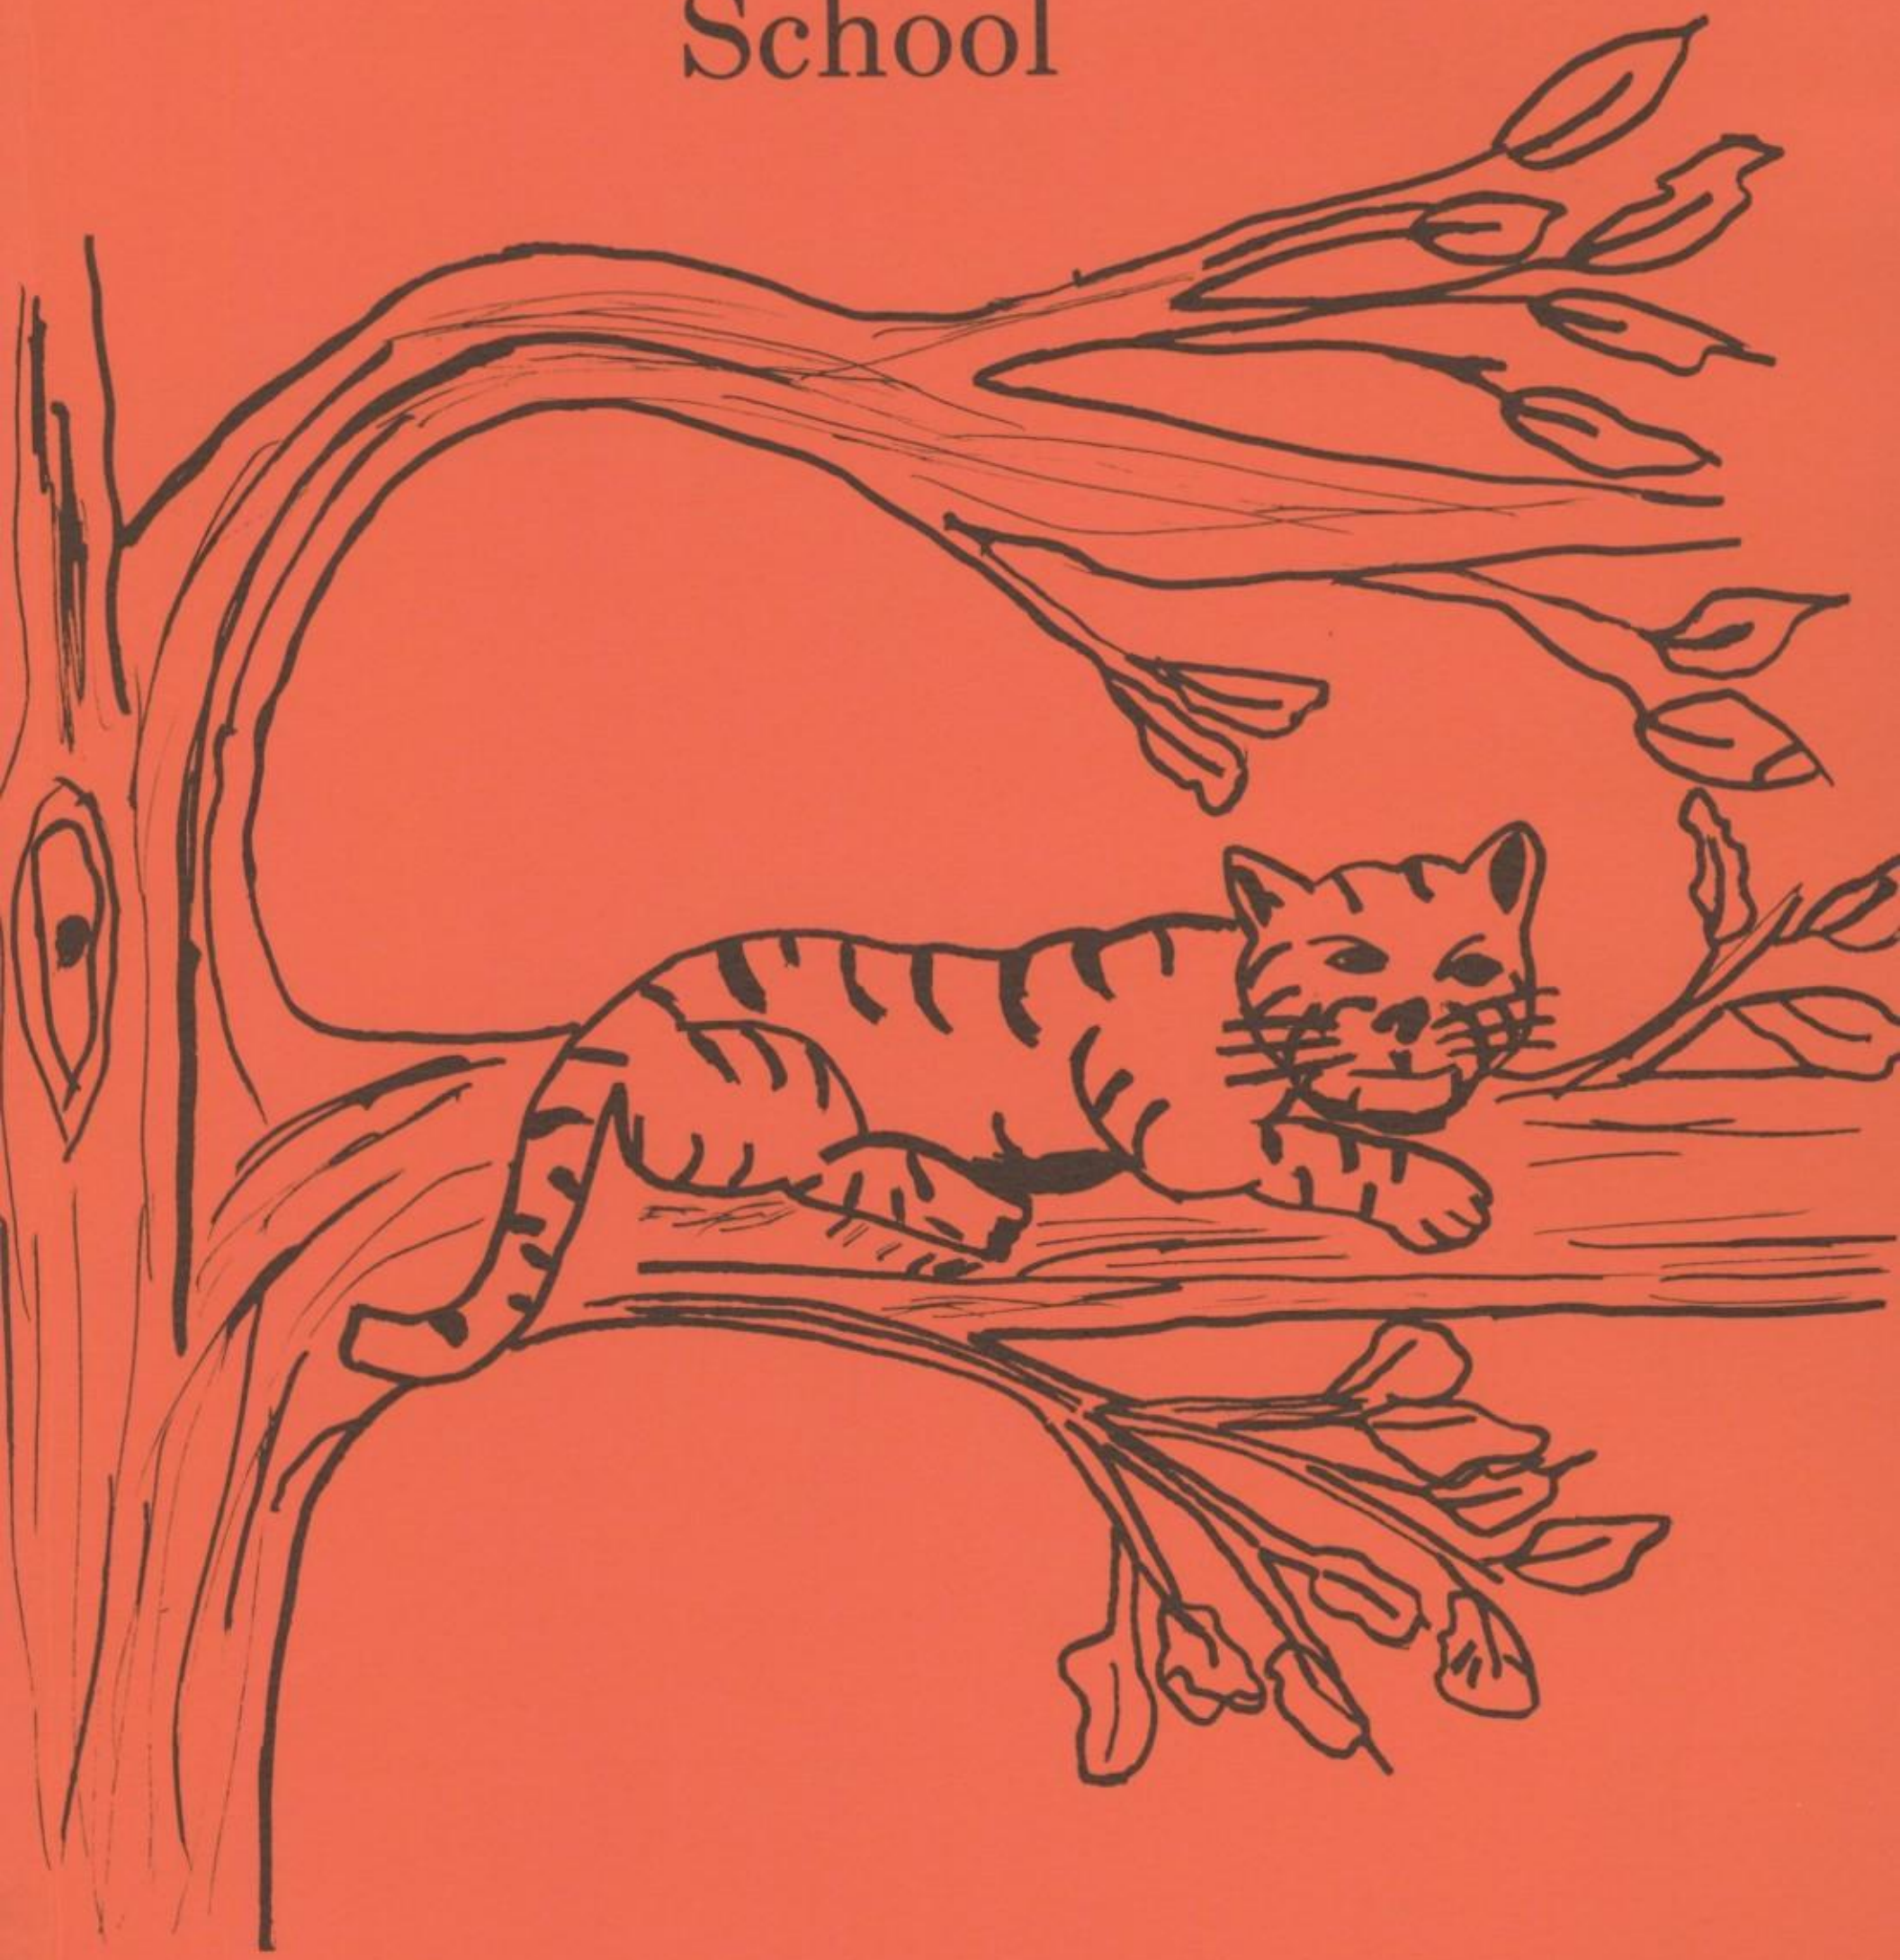


Across the school hill comes a thundering herd of teachers, fearlessly giving discussions, themes, and tests. They blaze a trail across our minds and hearts making us forever branded by their leadership and friendship. So to the teachers of Milford High we say, "Thanks, pardner."



Thanks!

School



1st verse:

Milford High School students
are we,
Seeking knowledge ever will
be.
Our high school improve we
shall try.
Dear old Milford High.

Chorus:

Milford our dear old Milford
High School,
Milford the school we love
so well.
Ever we will submit to your
rule,
Ever of you our praises
tell.
Sacred the memories we shall
cherish,
Our friends and teachers
kind and true.
Our colors RED and WHITE
shine through the night.
It's Milford High School
for you.

2nd verse:

Milford High School dear to
our hearts,
Sad the day when we have to
part,
Happy days are now passing
by,
Dear old Milford High.

Repeat chorus:

In closing I would like to thank all those who participated in helping with this book. I hope you have enjoyed your "Walk With the Tigers." May this book always bring back happy memories of days gone by. I leave to the yearbook staff of next year this book, so they may be able to improve the books of the future. I hope next year will be as great as this one was.
